Volunteer Role Description

Volunteer Role: GarageBand Music Volunteer
Category: Creative Arts
Location: Springfield
Classification: Volunteer
Day/Time: Tuesdays, 9am – 12pm OR 12.30pm – 3.30pm
Duration: Minimum Three Months, maximum 15 hrs per week
Supervisor: Programme Facilitator

About the volunteer role

The aim of the GarageBand Volunteer role is to encourage and engage clients to pursue their interest in creating and producing music on the GarageBand software. The volunteer and CPL will regularly review this volunteer role based on the capacity of the volunteer to assist on an ongoing basis and the needs of CPL.

As the GarageBand Music Volunteer you will be:

- Supporting the studio facilitator (SF) with the GarageBand music program
- Supporting clients and SF to write music
- Supporting clients and SF to create and produce music on GarageBand software
- Encouraging and inspiring clients to pursue their musical interests
- Sharing your musical talent and expertise with clients and staff
- Conducting friendly, professional encounters with clients

You will not be responsible for:

- Any personal support; e.g. manual handling, personal care, administration of medication or meal assistance. These activities will be carried out by qualified support workers

About you

- Experience using GarageBand software to create and produce music
- Knowledge and experience using iPads and Apple Mac
- Passion for music
- Interest in inspiring and encouraging people with a disability to engage in music
- Excellent communication skills
- Patient, understanding and friendly personality
- Eligibility to meet the requirements of a Department of Communities and Commission for Children and Young People and Child Guardian criminal history screening
- You will be responsible for organising your own transport to and from the location of this CPL role.
