### About the volunteer role

The aim of this volunteer role is to encourage and engage clients to pursue their interest in environmental issues, recycling, and other sustainable activities. The volunteer and CPL will regularly review this volunteer role based on the capacity of the volunteer to assist on an ongoing basis and the needs of CPL.

#### As the Social Companion – Recycling Pro you will be:

- Conducting friendly, professional encounters with a client
- Engaging in social activities with a client, centred around mutual interests
- Sharing your skills and passion in sustainable activities with a client
- Supporting a client to document a recycling programme on PowerPoint
- Encouraging and engaging a client to pursue and develop their hobby/interests

#### You will not be responsible for:

- Any personal support; e.g. manual handling, personal care, administration of medication or meal assistance. These activities will be carried out by qualified support workers.

### About you

- Interest in environmental issues, sustainability and recycling
- Basic knowledge of PowerPoint would be a bonus!
- Good communication skills and a great attitude
- Eligibility to meet the requirements of a Department of Communities and Commission for Children and a Young People and Child Guardian criminal history screening
- You will be responsible for organising your transport to and from the location of this CPL role.
