Purpose

The Client Support Partner works in partnership with people with disability their family and carers to design, coordinate and monitor the delivery of services that build a person's capacity, is based on individual needs , preferences and goals to live their best life

Focus

To achieve this purpose, the position holder would typically

- Work with a range of clients. The number of clients will depend on factors such as level of service required, complexity, geography and the nature of the service(s) requested
- Demonstrated ability to develop rapport and build trusting relationships with clients, families and carers.
- Supporting clients to develop, implement, monitor and achieve their goals using a range of person centred tools.
- Establish and maintain network relationships with key agencies, other service providers, and referral services.
- Establish strong links between specialist and mainstream service providers that encourage access for a person with a disability and supports them to achieve their individual goals.
- Provide coordinated and accountable services with supervision support that identifies and addresses the early identification and prevention of risk.
- Ensure effective monitoring and reporting through accurate and relevant client records in line with confidentiality and privacy requirements.
- Active participation in a team by contributing to collaborative working relationships, team initiatives and professional development
- Prepare for and attend review meetings, case conferences and consultation meetings and ensure appropriate documentation is kept.
- Clearly identify and communicate the client value proposition to ensure growth and reputation of our services.
- Provide information and referral to support clients to access appropriate resources and services, both within The Benevolent Society and with external agencies and service providers, as appropriate.
- Ensure support provided to clients is well informed, accurate and best meets client needs.
- Ensure service provision is in line with The Benevolent Society's practice frameworks, processes and business rules.
- Establish and maintain positive working relationships with individual clients, carers and families which reflect client directed care principles, their rights and responsibilities.
- Document and create reports on client services and client changes using technology and paper based systems in a clear, logical, understandable and timely way.
- Advise the Manager and/or Senior Manager of any significant changes or concerns regarding the client, their home environment, wellbeing, their services, or other risks, as required.
- Supporting the client in understanding the budget, negotiating value for money and entering into service agreements with other organisations.
- Support clients in a range of activities appropriate to the individual to build their capacity.

Outcomes

When things are going well we would expect to see these outcomes:

- Clients are supported in living their best lives in the place of their choice
- Clients indicate they are satisfied and engaged with their services
- The needs of those contacting the service are appropriately assessed, with referral to and/or identification of appropriate services
- The Benevolent Society Service models are implemented
