Australian Wildlife Conservancy (AWC) is the largest private (non-profit) owner of land for conservation in Australia, protecting endangered wildlife at 30 sanctuaries in which we own or manage in partnership, covering a total of more than 6.5 million hectares in iconic regions such as the Kimberley, Cape York, the Top End and Kati Thanda-Lake Eyre. With a focus on practical land management, informed by world-class science, AWC is implementing a dynamic new model for conservation.

AWC’s mission - to deliver effective conservation for all native animal species and their habitats - is achieved by:

- **Operations** - delivering effective large-scale land management including fire management, feral animal control, weed control and infrastructure management.
- **Science** - delivering a nationally-coherent program of ecological surveys with a focus on monitoring key conservation assets and threats, conducting applied research relevant to wildlife conservation, implementing conservation programs including reintroductions, and providing advice to management.
- **Fundraising** - mobilising finance (primarily, tax deductible donations) from the general public and philanthropists including through effective communication of AWC conservation programs.

We are seeking an exceptional and highly motivated professional to join our Development (fundraising) team in the role of Grants Coordinator. Based in Perth, the role will suit a talented early- to mid-career professional who is passionate about conservation and communicating in a way that showcases your exceptional writing and editing skills, and your ability to understand and present complex content in a clear and concise manner to a variety of audiences.
