- Work collaboratively with Feros Care service teams in the rollout of new products and services
- Work diligently to identify opportunities for improvement to support Feros Care operations now and into the future

### Business Continuity:

- Support the operations of the mobile assessment, case management and clinical support teams by:
  - Providing After Hours backfill as scheduled providing advisory and decision-making support, and assisted problem solving support to other After Hours rostered staff as required
  - Undertaking key tasks in response to severe weather, emergency and disaster events in accordance with the broader Feros Care Emergency plans and protocols
  - Participating in the support and supervision of staff with injuries and assist with development of RTW plans and direct care workload activity/monitoring strategies
  - Providing backfill support to the mobile assessment, case management teams as required to meet business operational needs

## Section B - Our Common Purpose

### Living our Values:

At Feros Care, every person plays an important role in helping us to **empower people to live their best life**. Our **BOLD Values** are unique to us and underpin our much bolder aspirations for our clients, residents, patients, participants and customers. Our values are not just words on a wall or a piece of paper, they shape how we behave and they can be felt by the people who work with us, people who visit us or people who receive services from us.

As part of the Feros Care team you are expected to live the values:

- **GAME CHANGERS** - *Innovators not imitators* - We are the powerhouse of reinvention. We reframe perceptions and challenge conventions.
- **TRIBAL SHAPERS** - *Together we thrive* - We bring our "A" game every day. We work to build a great culture and communities where everyone matters.
- **DREAM MAKERS** - *Powered by possibility* - We create a place where our customers' wildest vision of what's possible comes to life.

- **VIBRANT CREATORS** - *Positive and playful* - We don't fit in we stand out. Our energy is electric, our people are passionate and our purpose is real.
- **KINDNESS WARRIORS** - *Committed to care* - We give our time, energy, integrity and knowledge, but above all we give our hearts.

### Leading with Technology:

Feros Care utilises technology to not only support our clients live their best lives, but it's also the way we communicate; the way we report and document; the way we learn; the way we participate and most importantly how we engage with each other. To join us you must be:

- Willing to embrace technology solutions that will not only help our clients but also allow you to learn, participate and engage with your work colleagues and the organisation
- Confident using technology such as smart phones, tablets, laptops, video conferencing, GPS and search engines to access information and support our clients
- Eager to look for new and exciting ways to support our clients with technology that will solve issues and achieve their goals

### Work Health and Safety (WHS):

All Feros Care staff have a duty of care and a legal obligation to ensure that they:

- Undertake work in a manner that is not harmful to their health and safety or the health and safety of others
- Comply with the Feros Care WHS Management System requirements particularly manual handling, infection control, emergency, food safety and personal protective equipment requirements
- Attend and actively participate in WHS and other mandatory training
- Monitor workplace conditions and report:
  - Ideas which may improve health and safety
  - Any work related or personal injury or illness (where it may affect their ability to work safely)
  - Any work related incident they witness, including bullying and harassment
  - Hazards and incidents including any malfunction or inadequacies of equipment
- Correct minor hazards as applicable

All staff are encouraged to be proactive and participate in activities and programs designed to improve health and safety.

### Section C - Other things you need to know

- This position may require you to travel interstate and stay away from home at least 2 nights every month
- We structure your day using technology managed schedules
- Our remote working environment will require you to be disciplined, dedicated and self sufficient
- The highly competitive nature of the aged care sector will require you to position our services and engage new clients at every opportunity

### Personal Attributes and Qualities:

To be highly effective in this role you will need to identify with the following personal qualities:

- Communicates a vision which sparks excitement in others
- Leads by personal example
- Accountable for decisions and actions

- Thrives on helping others
- Genuinely listens and takes time to understand the real message
- Clearly enjoys interacting and engaging with clients
- Open minded, non-judgmental and respectful of clients/others choices
- Motivated by making a real difference to the lives of others
- Presents professionally at all times in dress, appearance and communication
- Challenges inappropriate behaviour and attitudes
- Stays true to ethics and values regardless of situation
- Acts with absolute integrity
- Has a friendly and cheerful demeanour
- Considers all elements of wellness when focussing on client experience
- Ensures clients are in the driving seat of decisions
- Embraces new technology
- Hungry to learn and build professional expertise
- Manages conflict positively and constructively
- Rapidly builds and maintains strong collaborative, partnering relationships
- Actively participates in the development and implementation of new services
- Monitors the Aged Care market, context and competition

### **Criminal History:**

This position requires a mandatory National Police Check to be conducted if chosen to be the successful candidate. The National Police Check will be renewed every 3 years.

### **Essential Criteria for Position:**

#### **Essential Skills, Experience and Knowledge:**

- Demonstrated experience in assessment and goal orientated support planning and case management
- Demonstrated ability to develop robust and sustainable working relationships with referral agencies and health services that encourage cooperation, accountability and promotes Feros Care and its services
- Demonstrated ability to work autonomously with a high degree of drive, initiative, motivation and outcome orientation, with the capacity to deal with multiple and often conflicting priorities.
- Demonstrated ability to identify and prioritise complex problems and issues, generate solutions and work collaboratively to achieve a successful outcome.
- Well-developed organisation, negotiation, facilitation and communication skills
- Well-developed computer skills including proficiency in MS Office and client management software applications
- Skilled in the use of smartphones, laptops, video-conferencing and web access to systems for information, data entry and communication

#### **Qualifications, Certificates and Registrations:**

- Current driver's licence and vehicle registration with 3rd party personal injury insurance

#### **Essential Ability Requirements:**

- Well-developed written and oral communication skills with the ability to build and maintain effective internal/external relationships, practice open communication, conduct and facilitate presentations/community events and prepare reports/submissions and operational plans.
- Physical suitability and competence: Physical fitness including (but not limited to): manual handling, carrying, standing/sitting for long periods of time

**Desirable Criteria for Position:**

- Tertiary qualifications in Allied Health, Nursing, Social Services or other related disciplines
- Current Professional Registrations
- Willingness to register with Medicare Australia (Allied Health professionals)
- Knowledge and understanding of Risk Management principles, practices and legislation including Work, Health and Safety and Injury Management
- Current First Aid Certificate

**Incumbent Statement:**

I have read, understand and accept the above Position Description for Wellbeing Manager.
