### **Our Organisation**

*Family Planning NSW is the leading provider of reproductive and sexual health services in NSW. As an independent not-for-profit organisation we offer expert clinical care, information and advice for every body in every family as well as education and training and evidence-based research to support doctors, nurses and other professionals.*

*Family Planning NSW is committed to excellence in meeting the reproductive and sexual health needs of the community. We achieve this by providing best practice, accredited clinical services, enhancing the knowledge and skills of service providers, improving the body of knowledge about reproductive and sexual health through rigorous research and evaluation, and leading international development projects to promote the rights of marginalised people in developing countries.*

---

### **Position Overview**

This is an exciting opportunity to join the team of our brand new day surgery unit at Newington. This custom-built, fully licensed and accredited facility has a focus on reproductive and sexual health. It is co-located with our dedicated outpatient clinics and professional education services and has an overarching commitment to equitable access.

This position is responsible for the provision of sedation/anesthesia for clients attending Family Planning NSW day surgery services. Day surgery services currently include: surgical abortion, IUD insertion/removal, vasectomy and D&C. The position is part of a multidisciplinary team.

---

### **Selection Criteria**

#### ***Essential (including qualifications)***

- Primary medical degree with current AHPRA registration as a medical practitioner and unrestricted Medicare provider number
- FANZCA or FRACGP with JCCA accreditation (ANZCA, RACGP & ACCRM)
- Evidence of continuing medical education and self-monitoring/audit practices consistent with the scope of practice requirements of the position (ongoing compliance with either the JCCA or ANZCA CPD program)
- Proven capacity and/or experience in the provision of effective high quality services in anaesthetics/sedation, demonstrated through successful clinical practice in an environment appropriate to the requirements of the position including evidence of participation in quality improvement activities relevant to anaesthetics/sedation
- Demonstrated commitment to teaching with experience in teaching both undergraduate and post graduate students and other staff
- Demonstrate the skills and attitudes appropriate as a senior medical practitioner including modelling a high standard of professional behaviour to other staff

- Demonstrated ability to work effectively and harmoniously with medical and other health services colleagues as part of a multi-disciplinary health care team and demonstrated ability to communicate effectively with patients, colleagues, and staff and to work as an effective member of the clinical team across multiple sites
- Demonstrated commitment to provision of a high standard of clinical care in the NGO setting
- Demonstrated experience in and commitment to research relevant to the role and needs of the service

### ***Desirable***

- Previous experience in the provision of sedation/anaesthesia for reproductive and sexual health procedures

### ***Values***

- Family Planning NSW is a pro-choice organisation
  - Staff are expected to fully support an individual's right to choose regarding their pregnancy, whether that be parenting, adoption/foster care or abortion.
  - As an abortion service provider, all FPNSW staff are expected to actively participate in the provision of abortion services within the full scope of the role they are appointed to.
  - For this role, that means providing sedation/anaesthesia for surgical abortion procedures and associated perioperative care
- Must support the Family Planning NSW values:
  - Human rights focus - promoting the rights of all people to reproductive and sexual health
  - Integrity - maintaining a strong ethical base, being accountable and transparent
  - Inclusiveness - valuing and respecting diversity without judgement
  - Equity of access - ensuring access to our services for all including priority populations
  - Client centred - placing the needs of the whole person at the centre of our work
  - Commitment to excellence - ensuring high standards in all our work
  - A just culture – a balanced accountability for both individuals and the organisation

### ***Other requirements***

- A Criminal Record Check and Working With Children Check are required prior to commencement in this role
  - Immunisation/vaccination requirements apply to this role
-

## **Key Responsibilities**

### ***Clinical***

- Provide an accountable and high standard of specialist patient care including consultation services
- Liaise and interact effectively with all staff
- Ensure detailed treatment plans are in place to support timely management of patients
- Ensure a high standard of clinical record documentation including completion of all clinical records (including medication charts) to reflect clinical decisions and optimise data collection
- Participate fully in the on call roster in accordance with FPNSW requirements
- Participate actively in relevant research activities conducted by FPNSW
- Undertake any other duties or projects at the direction of the Director Integrated Health Services

### ***Leadership***

- Model and encourage a culture of active listening, continuous learning and leadership, which values high levels of constructive feedback and exposure to new experiences
- Promote a sense of purpose and build a shared sense of direction within the team
- Encourage others to strive for ongoing improvement
- Demonstrate professionalism to support a culture of accountability and integrity
- Model ethical practices, standards and systems and reinforce their use

### ***Clinical governance, quality improvement and patient safety***

- Participate in the clinical governance of the day surgery service, including clinical review meetings, clinical audits and other quality programs to enhance patient safety
- Comply with FPNSW clinical governance policies and patient safety programs
- Ensure effective clinical handover processes in accordance with FPNSW guidelines
- Participate in peer review and other continuing education activities consistent with FPNSW, College and AHPRA requirements to maintain professional standards
- Ensure compliance with the Australian Commission on Safety and Quality in Healthcare standards

### ***Education and training***

- Provide supervision and mentoring to less experienced clinical staff
- Delegate duties to less experienced clinical staff according to their credentialing, knowledge, skills and abilities
- Participate in teaching and training at all levels of postgraduate multidisciplinary education where required by FPNSW

### ***Performance management***

- Participate in FPNSW performance development programs and undertake annual performance review
- Demonstrate ongoing competency within the clinical privileges granted by FPNSW

## **Other Responsibilities**

### ***Safety & quality***

- Commit to maintain best practice by adhering to the scope of the position and within role boundaries as defined by FPNSW
- Maintain the required qualifications and competencies to deliver high quality services
- Commit to on-going skill development and take responsibility to update knowledge, enhance skill and competency standards to perform within the context of work
- Adhere to FPNSW's defined escalation and delegation policies and systems
- Appropriately apply relevant guidelines, policies, procedures and protocols
- Adhere to the Incident Management Policy to report and escalate any issues within specified time frames
- Commit to share knowledge and provide support and supervision to less experienced staff

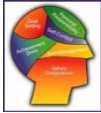

### ***Financial and resource management / administration***

- Maintain appropriate resource allocation, and effective management and administrative practices, in accordance with organisational policies, processes and delegations of FPNSW.

### ***Work health and safety***

- All employees are responsible to ensure they work in a manner which minimises the risk of injury to themselves, other workers, clients and visitors
- Managers are responsible for ensuring that safe work practices are in place and all employees abide by safety instructions
- Any potential risk should be reported to the employee's manager immediately for investigation and remedy
- Any breaches of safety procedures must be reported through the incident management procedures and any employee found breaching safety requirements will be subject to disciplinary action which may include termination of employment
