Purpose

The purpose of this position is to provide direct home support services to older people and people with a disability in our consumer directed/self directed care services, to help them experience the life they never thought possible. Care and support is provided in a way that promotes respect and independence and excellent services to our consumers, their carers and families.

Focus

To achieve this purpose, the position holder would typically

- Provide personal care services to consumers to support their activities of daily living such as support with dressing and general grooming, hygiene and showering, simple wound dressings, and blood sugar levels (BSL's).
- Provide domestic support services to consumers such as meal preparation, housework such as cleaning, vacuuming, washing, laundry, tidying up, and waste removal.
- Provide transport and social support services such as shopping, health appointments and recreation activities generally.
- Seek support from the Deputy Manager or specialist staff if there are any circumstances that are unusual or outside the scope of the client or service plan, for example, the consumer is not at home at the time of the service, the consumer has experienced an injury or illness or seems to be unwell, a family member of visitor to the home is aggressive.
- Make sure that appropriate manual handling procedures are followed and equipment such as hoists and lifters are used in accordance with instructions.
- Provide physical, social and emotional assistance to consumers that respect their choices and promotes their emotional and spiritual wellbeing.
- Attend team meetings as required and participate in training and support programs as provided
- Ensure high levels of customer service in all interactions.
- Establish and maintain positive working relationships with individual consumers, carers and families which reflect consumer directed care principles, their rights and responsibilities
- Advocate for consumers, their carers and families to enable choice and decision making that supports independence and quality of life.
- Document and create reports on client services and client changes using technology and paper based systems in a clear, logical, understandable and timely way.
- Advise the Team Leader of any significant changes or concerns regarding the client, their home environment, wellbeing, their services, or other risks, as soon as possible.
- Document work hours, kilometres travelled, reimbursements and other employee records in the timeframes required.

Outcomes	When things are going well we would expect to see these outcomes:
