**Position
Descriptions**

Reports To:

Regional Manager, Community Services

Employment Status:

Casual or Part Time

Grade/Award:

As outlined in Letter of Employment

Primary Objective:

The key purpose of this role is to undertake a variety of general nursing duties, including medication and wound management, assessment and case management to ensure appropriate care for clients.

Key Responsibilities:

Section A - Key Role Specific Responsibilities

Client Centred Care:

- Encourage clients to participate in care planning
- Provide information to clients, carers and families about treatments and care
- Promote healthy active ageing by enabling and encouraging participation in each client's preferred chosen lifestyle activities
- Build relationships with families and significant others which promote inclusion, participation and partnerships in care
- According to client needs provide comprehensive assessment, care planning, monitoring and review that incorporate the Eden principles which aims to reduce the sense of loneliness, helplessness and boredom often experienced by seniors
- Promote healthy active ageing by enabling participation in each client's preferred chosen lifestyle activities
- Ensure a high level of clinical care is delivered in accordance with the client's individual care needs, organisational policies and evidence based best practise guidelines
- Assess, implement, observe, monitor, evaluate, report and document client conditions and responses to treatment
- Administer medicines and other prescribed medical treatments to clients in accordance with legislative requirements and best practice
- Work in conjunction with other health professionals to support clients and implement care plans.
- Manage medications effectively and safely following the care plans, procedures and documenting same
- Effectively manage client pain and keep clients as pain free as possible
- Develop strong relationships with fellow staff through ongoing mentoring, professional role modelling, coaching, debriefing, sharing information and providing education
- Build and maintain professional relationships and networks through ongoing liaison with all health practitioners, health services providers and other service providers on an ongoing basis
- Work in accordance with the mission, vision, values and care principles of Feros Care, evidence best practice guidelines, funding agreements and legislative requirements

Documentation:

- Create, maintain and update resident records and documentation, in accordance with quality standards, organisational policy and procedures
- Maintain Outlook diary with appointments, meetings, tasks and lists to optimise time and work priorities
- Ensure all client documentation relating to assessments, services and review are completed in accordance with legislative requirements and organisational policies and procedures
- Participate and contribute to the planning processes, policy and procedure formulation as pertains to area of responsibility
- Develop care plans, based on outcomes of an assessment, in consultation with the client and family/carer and other members of the care team
- Implement, evaluate and review client care plans to ensure client's health care needs are met and quality of life promoted
- Maintain appropriate records and documentation in accordance with the documentation and accountability manual, quality standards framework and organisational policies and procedures
- Complete paperwork to sign up new clients

Leadership:

- Provision of leadership by undertaking the role of team leader, act as a resource person and provide education within scope of practice to the multi-disciplinary team
- Able to reach solutions to complex problems
- Resolve issues within the responsibilities of the role during the shift and inform the manager of any unresolved issues or areas of concern
- Implement and trial innovative approaches to care provision
- Participate in quality improvement activities by attending handover, committee membership, in-services, attendance at staff meetings and other quality forums
- Take leadership role in educating others on systems, processes, conditions and treatments

Registration:

- It is a condition of your continuing employment that you annually demonstrate your ability to meet the Australian Nursing and Midwifery Council (ANMC) competencies for Registered Nurses, hold current registration as a Registered Nurse with the Australian Health Practitioner Regulation Agency (AHPRA) and provide evidence of professional development activities in order to accumulate Continuing Professional Development (CPD) points necessary for annual re-registration

Section B - Our Common Purpose**Living our Values:**

At Feros Care, every person plays an important role in helping us to **empower people to live their best life**. Our **BOLD Values** are unique to us and underpin our much bolder aspirations for our clients, residents, patients, participants and customers. Our values are not just words on a wall or a piece of paper, they shape how we behave and they can be felt by the people who work with us, people who visit us or people who receive services from us.

As part of the Feros Care team you are expected to live the values:

- **GAME CHANGERS** - *Innovators not imitators* - We are the powerhouse of reinvention. We reframe perceptions and challenge conventions.
- **TRIBAL SHAPERS** - *Together we thrive* - We bring our "A" game every day. We work to build a great culture and communities where everyone matters.
- **DREAM MAKERS** - *Powered by possibility* - We create a place where our customers' wildest vision of what's possible comes to life.
- **VIBRANT CREATORS** - *Positive and playful* - We don't fit in we stand out. Our energy is electric, our people are passionate and our purpose is real.
- **KINDNESS WARRIORS** - *Committed to care* - We give our time, energy, integrity and knowledge, but above all we give our hearts.

Leading with Technology:

Feros Care utilises technology to not only support our clients live their best lives, but it's also the way we communicate; the way we report and document; the way we learn; the way we participate and most importantly how we engage with each other. To join us you must be:

- Willing to embrace technology solutions that will not only help our clients but also allow you to learn, participate and engage with your work colleagues and the organisation

- Confident using technology such as smart phones, tablets, laptops, video conferencing, GPS and search engines to access information and support our clients
- Eager to look for new and exciting ways to support our clients with technology that will solve issues and achieve their goals

Work Health and Safety (WHS):

All Feros Care staff have a duty of care and a legal obligation to ensure that they:

- Undertake work in a manner that is not harmful to their health and safety or the health and safety of others
- Comply with the Feros Care WHS Management System requirements particularly manual handling, infection control, emergency, food safety and personal protective equipment requirements
- Attend and actively participate in WHS and other mandatory training
- Monitor workplace conditions and report:
 - Ideas which may improve health and safety
 - Any work related or personal injury or illness (where it may affect their ability to work safely)
 - Any work related incident they witness, including bullying and harassment
 - Hazards and incidents including any malfunction or inadequacies of equipment
- Correct minor hazards as applicable

All staff are encouraged to be proactive and participate in activities and programs designed to improve health and safety.

Personal Attributes and Qualities:

To be highly effective in this role you will need to identify with the following personal qualities:

- Aligns team goals with those of Feros Care, ensuring everyone understands their contribution and role
- Leads by personal example
- Rapidly builds and maintains strong collaborative, partnering relationships
- Has a friendly and cheerful demeanour
- Presents professionally at all times in dress, appearance and communication
- Has an unwavering commitment to strengthening client's independence
- Ensures clients are in the driving seat of decisions
- Considers all elements of wellness when focussing on client experience
- Embraces new technology
- Hungry to learn and build professional expertise
- Accountable for decisions and actions
- Stays true to the essence of Feros Care (culture, values, philosophy, service model) during change situations
- Champions, initiates and pilots change across Feros Care
