urpose

To provide assessment, planning, intervention, monitoring and review of communication and/or swallowing needs of people with a disability in line with the goals of their National Disability Insurance Scheme (NDIS) plans or individual goals.

To achieve this purpose, the position holder would typically

- Provide high quality, culturally appropriate speech pathology interventions to people with a disability who have specific eating/drinking and/or communication needs.
- Work as part of a multidisciplinary team to provide effective and efficient services to clients with a disability in line with their goals.
- Implement appropriate evidence based services that meet the needs of clients according to the goals and within the allocated hours of their NDIS plan.
- Participate in support planning processes for clients to deliver coordinated, effective, service provision that meets goals of the client's NDIS plan.
- Liaise with relevant persons in client's environment e.g. family members, carers etc. regarding implications and management of eating/drinking and/or communication needs.
- Provide staff and carer training required to meet the client's goals.
- Keep up to date records and necessary reports e.g. support plans, assessment reports, intervention summaries.
- Consult with supervisors, other speech pathologists, and other team members regarding clinical issues.
- Attend and participate in team meetings and supervision.
- Report resource needs and clinical issues to the Team Leader.
- Use available technology, resources, systems and processes to ensure an efficient service for clients.
- Follow all policies and procedures outlined for disability services.
- This position operates within the context of a billable hours' framework within the NDIS.
- There is a requirement for mobile working in this position as per client need and the operation of The Benevolent Society.

Focus

This position may be offered as a specialisation:

• For example, Senior Speech Pathologist

Where the role is offered as a specialisation the position holder would typically:

- Support clients with more complex needs.
- Coach, advise and provide on the job support to other team members to enhance quality and culturally appropriate speech pathology interventions.
- Promote evidence based speech pathology practice and provide coaching, mentoring and supervision to other speech pathology therapy staff.

Work in collaboration with other Senior Clinicians to monitor, develop and improve clinical service provision.

When things are going well we would expect to see these outcomes:

- The team works collaboratively to ensure services are coordinated efficiently and effectively to meet the client's goals and outcomes as identified in their NDIS plan.
- Speech pathology services are timely, efficient and effective. They meet the goals identified by the client and their families/carers within available resources.
- Services for clients with complex needs are well coordinated, efficient, effective and goal-focussed.
- Services provided are clearly understood by the client their family/carers and the multidisciplinary team.

We work collaboratively with others, however this position works close closely with:
